

## Feline Surgical and Anesthesia/Sedation Consent Form

Owner's name: \_\_\_\_\_

Pet's name: \_\_\_\_\_

Procedure: \_\_\_\_\_

1. Cats over 7 years of age REQUIRE pre-anesthetic bloodwork.
2. If your cat is under 7 years of age, the pre-anesthetic bloodwork is OPTIONAL. The cost of the bloodwork is approximately \$50 and checks kidney, liver, blood sugar, and protein levels.

\_\_\_\_ Yes, I want my cat to have optional bloodwork.

\_\_\_\_ No, I do not want my cat to have optional bloodwork.

3. If your cat has fleas, Heritage Animal Hospital, Inc. will apply topical and/or oral flea medication while staying in the hospital. You will be held responsible for the cost of medications.

4. If we find that your cat has earmites we recommend treating them with a one-time topical treatment called Milbemite. The cost is approximately \$22.50

\_\_\_\_ Yes, if my cat has earmites, treat with Milbemite.

\_\_\_\_ No, do not treat my cat for earmites.

5. If your cat is under 1 year of age or goes outside where it can be exposed to other cats, we recommend testing for Feline Leukemia Virus and Feline Immunodeficiency Virus (feline AIDS). The cost of the test is approximately \$50

\_\_\_\_ Yes, I want to test my cat for FeLV and FIV.

\_\_\_\_ If my cat tests negative for FeLV, I would like him/her vaccinated for this disease.

\_\_\_\_ No, I do not want to test my cat for FeLV and FIV.

\_\_\_\_ My cat has already been tested.

6. To reduce the risk of your pet licking and/or chewing at the surgical incision site, would you like an e-collar to be sent home? The cost is \$12.50-17.50 (depending on the size).

\_\_\_\_ Yes, I would like an e-collar to take home.

\_\_\_\_ No, I do not need/want an e-collar to take home.

**I understand, and accept that when anesthesia/sedation is involved, there are always inherent risks, including death. I understand the doctors and staff will take all necessary steps to reduce this risk by choosing the appropriate anesthetic, monitoring equipment, and use of fluid therapy. I will not hold the doctors and staff of Heritage Animal Hospital, Inc. responsible for any complications associated with anesthesia/sedation. I understand that I assume financial responsibility for all services rendered. Full payment is expected at the time of discharge.**

**\*\*There may be additional charges for cats undergoing a spay who are in heat or pregnant. If the cost exceeds more than 20% of the given estimate for ANY procedure, we will require your authorization before proceeding. If we are unable to contact you, we will proceed as necessary in the exercise of the veterinarian's professional judgment.**
